Dear Parent / Carer

You may have heard in the media that public sector unions have balloted and are preparing to take industrial action. Union members are therefore being directed to strike on **Wednesday 30th November**. This action will be affecting schools and a range of other public sector organisations nationally.

I am writing to give you as much notice of this as possible. I have carried out a risk assessment in anticipation and it is very unlikely that the school will be able to open as very few staff will be available. Please assume that the school will be closed on that day; I will write again to inform you if the situation changes.

I apologise for any inconvenience caused and I look forward to seeing the pupils back in school as usual on Thursday 1st December.

Thank you for your cooperation.

Yours sincerely,

Dean Williams
Headteacher
